- Lots of materials about videos, articles, words bank.
- Free content.
- Earn "KEKE beans" to exchange materials.

b) Availability

• An Intelligent English scoring system.

在手机里存活时间最长的英语软件

***** Oniontoy - 2018年9月6日

非常喜欢可可,里面内容很丰富,时时更新,新闻和各类影片做的也很细致。特别是背单词的部分,页面很简单,但是,这种反复记忆和不断巩固的联系,听说读写都有,很值得一只学下去。用可可已经三年了,很多内容还不能完全发掘出来,要坚持继续努力~

设计很具有针对性 若改艮后前途无限

****** 切记在心中 - 2018年4月19日

功能强大 很具有针对性 但唯一最大的槽点就是最主要的划词搜索功能 这对于语言学习者来说极为重要 很多时候在背单词的时候划词搜索不灵敏或因为字体太小不易触击又或是搜索功能太迟钝 更关键的是划词搜索有时候还搜不到 希望在划词搜索方面能大大改进 并且最好在任何页面都可以进行划词搜索功能并增强搜索功能的词库量以及搜寻谏率

c) Happiness

- Set a lot of interesting learning materials.
- Radio blogs, bilingual video, movies and songs.

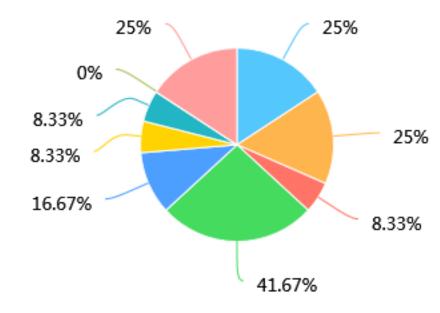

Suggestions:

- Strengthen the part that users can set
- Ensure a stable environment
- optimize interface design
- feedback method

Interact Object-From who to learn

a) Human-machine interaction

- Choose the degree of difficulty and recommend learning resources suitable for learners.
- More unilateral output of knowledge.

b) Human-human interaction

- Discussion group.
- "Like" function.

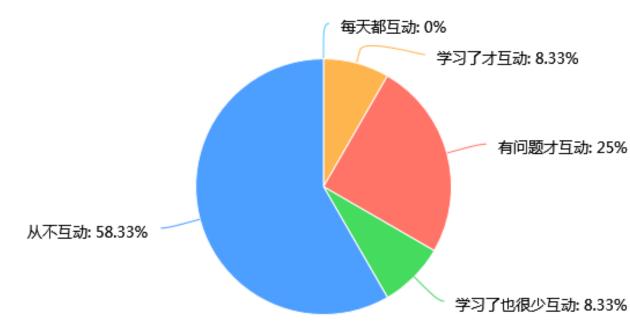

Interact Object-From who to learn

- Add the function of comment.
- Increase interactive encouragement mechanism.

Thank you for listening
